A. Discuss adjustments to be made to the SLTSD Billing Cycle

It was reported out that it has been determined that the Districts billing cycle does not tie out to the billing cycle of the Villages and with one Village two of our cycles of 3 months is actually 4 months of their billings. Therefore, the District should consider modifying the billing cycle to either 2 months or 4 months. Based on the discussion, the District will modify their billing cycle from 3 months to 4 months beginning with the March Bill – which will move to April and will be 4 months. A letter will be sent to all residents.
